

With Electric Pedal Cycle bike!

3 days/2 nights

**MONFERRATO: LAND OF WINEYARDS
AND "INFERNOT.. IN eBIke!**

Recently been joined the **UNESCO World Heritage** under the name "Wine landscapes of Piedmont: Langhe-Roero and Monferrato", **Monferrato** will give you surprises and amazement, landscape after landscape, hill after hill, vineyard after vineyard, tasting after tasting. The Monferrato, land of wines, castles and villages will amaze you with its beauty and peculiarity above ground but will enchant also below its lands, within the "infernnot".

You may wonder: What it is a "infernnot? They are local dug underground, several meters deep, sometimes under the cellar, to store bottles of the most valuable in the warmer months, maybe those who had a sentimental value: vintages of a marriage or the birth of a son. They were also meeting places for getting together with friends, drinking and eating in happy company.

What a perfect opportunity to discover hills, wines, gastronomy, villages and castles of Monferrato, maybe riding an **electric pedal assisted cycle**,

riding in an easy, relaxed and effortless way to discover this unknown and amazing corner of Piedmont?

Who is this package for?: to all those people who want to discover in a "slow" but active manner a corner of Piedmont full of culture, religion, art, nature and outdoor sports. Suitable for all ages, does not require any preparation, except for a pair of comfortable shoes, shorts with pad for the bike trip..and the desire to discover Monferrato on a bike, why not on an **Electric Pedal Cycle bike**. The rafting course is easy, fun, always assisted by professional guides who will take care of everything!

PER INFO E PRENOTAZIONI:

PROGRAM 3 days/2 nights

Day 1: Meeting at 10:00 am in Casale, in front of Po and Orba Rivers Park headquarters, where you will find your bike, in case you would like to rent it. You will meet your Nature & Biking Guide who will assist you all the way and will show you the program of the tour. A van will then collect your luggage that you will find every night in your hotel / agriturismo. The morning is dedicated to a guided tour by bike of Casale's center city, its Cathedral, the Synagogue. Stop and wine tasting at the Enoteca del Monferrato and at a local producer of typical Casale biscuits, krumiri.

After lunch in Casale Monferrato, you will discover the circuit of infernot!, the hills, vineyards and castles, an easy ride on quiet roads and easy trails. Arrive in Moleto at a fabulous agriturismo where you can relax near the swimming pool before dinner and a well-earned rest.

Day 2: after breakfast, visit to the village of Rosignano Monferrato and first stop tasting and visit to the historic cellars of the Uviglie Castle.

The tour then continues up to Cella Monte, a village built entirely using local stone, Pietra del Cantione, and visit the most beautiful Infernot in Monferrato.

After the visit of the Pietra del Cantone Museum, and a wine tasting at a local winery, we will continue our ride through Sala Monferrato and Ottiglio to get to our stop for lunch. After a well-deserved rest, restart riding on the hills of Monferrato and arrival in Vignale Monferrato for dinner and overnight, maybe with a relaxing dip in the pool!

Day 3: another great day to discover Monferrato!

Departure from the hotel and riding your bike, through the other villages of the Infernot circuit.

The journey will continue until Camagna and continue to Conzano and Terruggia with a quiet lunch and the tour of the historic cellars and infernot of a local winery. Refreshed and rested, you will go towards Casale for the last few kilometers.

Arrival in Casale where you will leave the bikes to take your means for the return journey. End of the tour.
